# Spire Client Entertainment Night September 2014

Spire Singapore hosted its Client Entertainment Night once again in September. Our clients and business partners joined us for a dinner reception followed by the movie screening of "The Equalizer". The event was held at Cathay Cineleisure Orchard. It was an opportunity for everyone to relax after another hard day's work.

An action-packed thriller based on the same television series, "The Equalizer" featured a powerful performance by Denzel Washington playing a retired black ops government operative who fakes his death in exchange for living a quiet life. Nonetheless he still gets embroiled in saving a teenager, Teri (Chloe Grace Moretz) from the Russian Mafia.

Spire's team members, clients and business associates enjoyed an evening of catching up over good food and a movie.
